→ Da mir in allen seinen Aussagen aufgefallen ist, dass er extrem stotterte bei seinen Angaben und hierbei immer wieder typische Füllwörter benutzte (err, you know) habe ich seine Aussage hier mal entsprechend auseinander gezogen, um das deutlicher hervorzuheben.

Die extrem häufige Benutzung dieser Füllwörter ist übrigens ein Zeichen von Unsicherheit, u.U. kann daraus sogar abgeleitet werden, dass diese Person nicht die Wahrheit sagt.

Err

after we had the meal we got some ice cream and then

err

we decided that we were gonna go up and play tennis so I left

err

with

err

Russell, we left the,

err

the girls at the restaurant and we went up to the,

err

back up to the Ocean Club.

err

I, as I say I'm not sure

you know

what happened to Matt and Russell at that particular moment

but I remember then

you know

I went over to see

err

Gerry at the

err

you know

tennis courts, just to see

you know

what was happening, and

err

decided that we'd,

you know

I'd come, come back to play tennis and

err

Gerry had asked me just to pop in and check everything was alright

err

with Kate or

you know

again I can't remember the exact reason whether he was just making sure it was alright that

he could stay there and
you know
more time but
you know
he'd asked me to pop in.

So I walked back
err
from the tennis courts,
err
back to
err
you know
Kate and Gerry's apartment and the time
you know
looking at,
you know
we've looked obviously at photographs since then and
you know
the time that we've got that I was
you know
going to Kate's about six thirty,
err
and I went into their apartment through the patio doors.

The three children were all
you know
dressed
you know
in their pyjamas,
you know
they looked immaculate,
you know
they were just like angels, they all looked so happy and well looked after and content
and I said to Kate,
you know
it's a bit early for the
you know,
for the three of them to be going to bed, she said
ah
they've had such a great time, they're really tired and
you know
err
so I say,
you know
I can't remember exactly what, what
you know
the night attire, what the children were wearing but white was the predominant
err
colour, but
you know

just to reinforce they were just so happy,

you know

seeing

you know

obviously Gerry wasn't there but they were just all, just so at peace and

you know

they looked like a family who'd had such a fantastic time and

err

yeah then I left there, went and got my stuff, went back to the tennis courts and then

err

there was me, Matt and Russell and I think Gerry played a little,

for a little while but he decided that he'd, he'd played enough tennis for that day and

err

was going back and so it left with me, Russell and

err

Matt and

err

Dan who was the,

the

you know

the tennis coach from Mark Warner.
