

1528 hours: Watts replied, "I know they would love to see Maw Maw one more time. I bet Maw Maw would love to see them too since she remembers them. I don't want to leave anyone without a car here though either. Should I have someone pick me up at nursing home so the girls can still see Maw Maw?" [41 ~ TL: 7044]

In two messages Shanann responded, "I'm not going to be where there's a chance we will run into your family. I'm not kidding Christopher. I'm having a bad experience these last few days with my pregnancy and I'm spotting. I'm not dealing with it... Have your parents pick you up when kids go down tonight then and do what you need too..." [41 ~ TL: 7045 - 7046]

1533 hours: Watts concluded, "I want kids to see Maw Maw. I will make sure there is zero chance anyone will see them." [41 ~ TL: 7048]

2028 hours: Shanann sent Watts a screen shot of a quote by an Isaac Kubvoruno –

"Husbands: stand up for your wife and protect her from the attacks that come from the people close to you. Let your family and friends know that when it comes to your wife and marriage, there is a line they cannot cross. If you have to take sides then always take your wife's side. From the day you said 'I do' your wife displaces your parents, friends and siblings. Apart from God, your wife now occupies and assumes the privileged first place of honor in your life. Oftentimes it requires that you lovingly stand up for your wife in front of your parents, especially our mother. Therefore what God has joined together, let no (mother, father, brother, sister, friend or boss) separate." [41 ~ TL: 7049, Image: 7178.JPG]

2224 hours: two hours later Shanann wrote, "I don't know how you fell out of love with me in 5.5 weeks, or if this has been going on for a long time, but you don't plan another baby if you're not in love. Kids don't deserve a broken family... I left you, you *couldn't* take your hands off me. You show up and I have to practically ask for a kiss in airport." [41 ~ TL: 7050 – 7051]

2234 hours: Shanann added, "Being away from you, it's not the help I missed because I handle that. It was exhausting, but with school that's not hard. I missed the smell of you, you touching me when I'm cooking, you touching me in bed, you touching me period! I missed holding you and snuggling with you. I missed eating with you, watching TV with you. I missed staring at you, I missed making love with you. I missed everything about you. I couldn't wait to touch you, hold you, kiss you, make love to you, smell you, laugh with you. I couldn't wait to celebrate 8 years with you... If you are done, don't love me, don't want to work this out, not happy anymore and only staying because of kids, I NEED you to tell me." [41 ~ TL: 7052 - 7053]

2300 hours: Shanann asked Watts, "Would you stay with me if we didn't have kids?" [41 ~ TL: 7054]

2309 hours: Shanann asked Watts, "I just don't get it. You don't fall out of love in 5 weeks." Minutes later she pondered, "How can you sleep? Our marriage is crumbling in front of us and you can sleep." [41 ~ TL: 7055 - 7056]

★ August 6, 2018

0613 hours: Watts searched Google for the distance from the moon to earth
[41 ~ TL: 7057]

0620 hours: proving messages have been deleted from Watt's phone, Shanann noted in several messages "Your only response last night was 'I don't want to lose the kids!' You used me to just have a 'boy!' Only reason you wanted another kid?! I can't handle this and you are ok with it. Why didn't you just tell me you were done?!? Why get me pregnant?!?"
[41 ~ TL: 7059 - 7064]

0622 hours: Watts replied, "I'm not just staying because of the kids. They are my light and that will not change. I didn't fall out of love in 5 weeks, that's impossible. I don't want to erase 8 years just like that. I'm not sure what's in my head. I don't know if it's my parents, the third pregnancy, if I'm just scared or what. I didn't use you."
[41 ~ TL: 7065]

In Shanann's phone the conversation continued

0622 hours: Shanann replied, "That's what you said last night... you can't even say why you're married to me. That's a stab in the heart... You didn't say you didn't want to lose us, you said you didn't want to lose the kids." Watts responded, "I don't want to lose anyone."

Shanann responded, "This has been the worst week of my life! We were supposed to celebrate love and family. But instead hate and whatever you call it. I'm not willing to watch something dangerous happen to one of our kids with your family for you to wake up. They will give you sorry excuses today!! I don't know what to say I (*don't want*) to come."
[42 ~ TL: 149779 - 149784]

Shanann continued, "You don't see you, or how you're treating me... 8 years of "love" and you are treating me horribly. I fell deeper in love with you this summer, you fell out. That's not love. Love falls deeper in love when apart not out. You don't love me. Or you have a horrible way of showing it. You haven't fought for me this week. It's only the kids."
[42 ~ TL: 149787 - 149788]

1328 hours: Watts transferred an image of Kessinger into his Secret Calculator application
[41 ~ Images: 8]

1843 hours: Watts told Shanann that his parents did not want to drive him to her location. Shanann asked if Watts wanted her to come pick him up and Watts replied, "It's up to you. He's cool bringing me back first thing in the morning early."
[41 ~ TL: 7151 - 7155]

1845 hours: to this Shanann replied, "We fucking leave tomorrow, I need help." Shanann told Watts she was on her way to pick him up. Apparently after some cajoling Watts advised his father has agreed to drive him to her location presently
[41 ~ TL: 7156 - 7160]

2139 hours: Shanann told Watts, "I was trying to get you to fucking hug me. Make me feel safe. This is much deeper than 'lack of conversation!' Make me feel like everything is going to be ok." Watts replied, "It will be ok. This will all get fixed."

[41 ~ TL: 7176 - 7178]

Shanann responded, "No I don't need words damnit. You just told me you don't want this baby."

[41 ~ TL: 7179]

2145 hours: Watts replied to this, "I am scared ok. You wanted the truth and I told you how I felt."

[41 ~ TL: 7181]

Shanann replied, "You hold me after that conversation, you hold me. If you want this to fucking last you make me feel safe after that bomb... Don't you get it?" Shanann added, "How many times do I have to ask you to hold me? You hate me that much?"

[41 ~ TL: 7182 - 7184]

Watts eventually replied, "I don't hate you. I will fix this. It will be better." Shanann noted, "You didn't answer me" and added, "I'm begging you to hold me and you still can't." Watts replied, "I don't know where my head is at. I will fix it though."

[41 ~ TL: 7185 - 7189]

2216 hours: Shanann wrote, "This isn't the only thing. This doesn't get your head all screwed up. Something changed in the last 5 weeks... Something you won't say."

[41 ~ TL: 7190 - 7191]

2233 hours: Shanann continued, "All of these asking for you to talk to me. You falling 'asleep at 7 or 8' don't tell me it's me. It's not communication, you're not telling me something."
[41 ~ TL: 7192]

Added to this message were assorted screen shots from Shanann's phone of previous text messages with Watts in which he offered excuses for not calling her. Most have been featured in this review, none were found in Watts' phone

0517 hours: Shanann told Addy Molony (*friend*), "Chris told me last night he's scared to death about this third baby and he's happy with just Bella and Celeste and doesn't want another baby." Addy comforted Shanann, telling her Watts is just scared and everything will be fine once the baby is born. Shanann replied, "He has changed, I don't know who he is."

Addy asked what she means and Shanann replied, "He hasn't touched me all week, kissed me, talked to me except for when I'm trying to figure out what is wrong... He's been distant since I left."
[42 ~ TL: 150236 – 150244]

Later in their conversation Shanann told Addy, "I told him last night, I don't feel safe with him after what he said about the baby and if he loves me he would hold me and tell me it will be ok. Give me something and he did nothing, but go to bed."
[42 ~ TL: 150263]

1626 hours: Shanann told Watts, "Something else is wrong that you're not saying, because "lack of communication" doesn't cause you to not be present, or touch me, or love me. Besides, the lack of communication hasn't been with me in 6 weeks. This fucking sucks. I really don't want to leave here."
[41 ~ TL: 7212]

Tried to have sex with him last night just to see if that would help him and he rejected me." Shanann said she hasn't cried this hard ever.

Shanann added, "He said he feels there's lack of communication and it's not from me. I sent him 12 text over the month begging him to talk to me. He fell asleep at 7/8 pm." Shanann told Sara, "I tried talking to him after rejection last night and me crying for an hour alone on couch - he slept. I kicked his sorry ass out of bed and I refuse to sleep on couch anymore this week. Told him this morning to not come home today if he can't tell me the damn truth on what the hell is wrong!"

Shanann continued, "We are supposed to go to ultrasound tonight and he doesn't want the baby. He'd abort if I said it was ok."

[42 ~ TL: 150833 - 150851]

0806 hours: Shanann told Sara, "He said he's not having an affair." Sara asked if Shanann is certain of this and Shanann replied, "Honestly no, but what else would make him do a complete 360... We couldn't get enough of each other before I left."

[42 ~ TL: 150863 - 150869]

[42 ~ TL: 151174]

He said he had a lot of time to think."
[42 ~ TL: 151483 - 151486]

Addy asked if Shanann has gone through Watts' phone, asking if he was having an affair. Shanann replied, "I did, he denied. No I didn't look. He's deleting messages from his dad I'm sure he's not that stupid." Addy noted none of this makes sense, "It's not Chris."

2219 hours: Shanann searched Google and the internet for "Lazy Dog menu" "Lazy Dog Restaurant and bar – find a location"
[42 ~ TL: 152923 – 152930]

How she came to learn so quickly of Watts' dinner expense is not reflected in the phone, but I suspect an alert from their bank or credit company.

2228 hours: Watts called Shanann and held a three minute conversation. Immediately afterwards she sent Watts a message, "Oh. Save your receipt so we can write it off."
[42 ~ TL: 152933 - 152934]

✦ **August 12, 2018**

[42 ~ TL: 152964]

0758 hours: Shanann told Addy, "I got a lot of work to do today and this week. Next weekend I'm gonna go MIA while away with Chris *(in Aspen)*"
[42 ~ TL: 152971]

0809 hours: Shanann asked how the girls were; Watts said they were good and drinking a shake. Shanann replied, "😘 Miss you guys! Give them kisses for me." Watts said he would and Shanann told him to have a great day; he reciprocated.
[41 ~ TL: 7651, 7653] [42 ~ TL: 152977, 152983 - 152985]

0811 hours: Josh asked Watts if he was truly alright with Josh and his family staying with the Watts family when they move. Watts said he was, "that's cool man."
[41 ~ TL: 7654 - 7656]

Watts went on to describe the finish of the Rockies game, "It was epic"
[41 ~ TL: 7663, 7666]

0835 hours: Shanann told Addy, "I need to do better with my calendar! I don't block out family time, I fill in family time. He {Watts} said to me last night it has nothing to do with business though." Addy said she thought this could have been the issue and insisted Shanann make more time for the family. Shanann replied, "No I agree. No I think its itty bitty things. I sometimes can be bitchy and he gets that side of me. I know I tend to make him feel like he isn't able to do things because I have control issues. He said the other night he wishes I'd just let him hang up a picture."
[42 ~ TL: 152993 – 152997]

0900 hours: Shanann's calendar had entry titled "Talk" scheduled for this date and time
[42 ~ TL: 153003]

0904 hours: Shanann continued with Addy, "I always have, but he also never calls me out. He never fights me, just goes with flow. He and I know I like things done a certain way, but I never thought about how that may make him feel as a man. I don't even know if this is what's bothering him. He still hasn't said! 🙄 I'm praying he wrote me a letter like I asked since he can express himself better in a letter than talking."

I have learned 🙄 is an emoji indicating a woman shrugging

Shanann added, "I'm the pusher and he's the withdrawer. He has strengths that are my weaknesses and vice versa."

Shanann continued, "The lack of communication isn't on my part. I can be better at how I communicate, but he doesn't communicate! I say things sometimes just to get him to react in any way since he doesn't react and that's not good. It's not even all the time. 99% of the time we are perfectly fine. And we have never ever fought. Literally over anything serious. I have fought with him over stupid shit like not doing something I asked in a timely manner 🙄"

Shanann said, "I did belittle him without realizing it with his parents. Told him he needed to find his balls and protect his family. 🙄" Shanann said Watts is "submissive" when his parents are involved. Addy said that is Watts' disposition and added, "He would kill for you."

Shanann told Addy, "Told him in a letter I would for him and there has to be mutual respect. I did respect his parents enough to deal with them. His mom just didn't and when alone with me jabs at me... it's not fair... I mean fuck I agreed to spend 5 weeks with both parents that's hell for me. But I did it for him and kids"

Shanann continued, "He was NEVER close to anyone but his dad! I being the family person tried bringing them closer and it back fired... I need to feel like he will stand up for us faced with difficult situations... that's where he flaws... or weakness"

Shanann told Addy, "My weakness is I have an Italian temper that can't hold back when pissed... I'm a fixer and I want to talk this out and he just wants to work it out in his head... I've just been acting kind of normal. Morning baby, Love you, etc., but not over doing it... Over doing it is what we do. We are so affectionate, can't stop touching each other, etc. not just the sex just the touch"

[42 ~ TL: 153006 – 153028]

0957 hours: Shanann asked Watts, "Can you do me a favor today if you have time? Can you get the girls backpacks 🎒 ready for tomorrow with blankies and spare clothes, please? If not I can do it in the am." Watts said he would

[41 ~ TL: 7667 - 7668]

1032 hours: Shanann asked Watts to send her some pictures of the girls, "I miss them."
[41 ~ TL: 7671]

Roughly eighteen hours before their murders, Watts took one of the last known images of Celeste in life. He sent this, and one of Bella taken at the same time, to Shanann...
[41 ~ TL: 7672 – 7673, Images: 7524.HEIC – 7525.HEIC]

[41 ~ TL: 7711]

[40 ~ TL: 6543]

[40 ~ TL: 6547]

1946 hours: Shanann asked "Hey honey, kids in bed" and asked for pictures. Watts replied "Bella just back in bed." Shanann noted, "They must be exhausted."

Watts resent the images from earlier in the day (at the dinner table). He added this image (taken later in the day at the Birthday Party; the last known photograph of Bella in life)

IMG_7529.HEIC

1954 hours: Shanann told Watts the power went out during dinner with "Cindy and Addy before the airport." She sent a photograph of the darkened restaurant
[41 ~ TL: 7746, Image: IMG_8010.JPG]

She commented on the photographs he just sent, "Great job on Bella's hair." Watts replied "That sucks! Yea, she cooperated." Shanann explained, "Really bad dust storm, rain, thunder and lightning." Shanann said Cindy bought their dinner. Shanann concluded, "Praying it doesn't cancel flight. Addy's flight was cancelled this morning."
[41 ~ TL: 7747 - 7753]

[41 ~ TL: 7761 - 7766]

2109 hours: Shanann asked Watts, "What kind of vegetables do you want with dinner tomorrow?" Watts replied "green beans." Shanann said she would buy them "tomorrow" at Costco along with other items

Shanann soon told Watts that she was ready to come home, "I'm ready for bed."
[41 ~ TL: 7776]

2113 hours: Shanann sent a message to Addy, explaining the accompanying text was what Shanann planned to tell Watts "tomorrow night." The message read:

"Can you please tell me something, because just like you, I'm in my head? I try to fix things and make them better and this is making me crazy. I know that you need time. I want to give you what you're asking for and respect your space, I need some time. This place that I'm in, in my head, is not a good place. It is not healthy for me, or Niko. I need you to help me help you. I need you to give just a little bit of what I did, or didn't do, so I'm not going crazy in my head to figure it out. I know I can't fix this by myself; that, we are going to have to work together."

[42 ~ TL: 153255 – 153256]

2129 hours: Shanann made an unanswered call to Watts

[41 ~ TL: 7781]

[42 ~ TL: 153305]

0125 hours: Shanann told Cassie they had landed

[42 ~ TL: 153306]

This is the last outgoing communication found on Shanann's phone

0148 hours: Watts' phone logged the Vivint alert of Shanann's entry into their home

[41 ~ TL: 7782]

At that same moment the Vivint video monitor captured Shanann as she walked up to the home and enter. Utoft was captured backing out of the driveway

Between 0148 hours and 0423 hours there was no movement detected on the main floor of the home [Vivint]

0201 hours: In a group text Utoft told Cassie, "We are home."

[42 ~ TL: 153307]

Shanann's phone activity is otherwise dormant until 0740 hours when Watts sent the device a staged message pretending not to know where she was at

0218 hours: the homes router logged an unspecified activity in Watts' phone
[41 ~ TL: 7783]

0548 hours: Watts left the home with the bodies of his family piled in the backseat of his truck

0631 hours: Watts sent a message asking Roberts, "Where you at?"
[40 ~ TL: 6552]

0632 hours: Roberts replied, "Just got fuel in Kersey."
[40 ~ TL: 6553]

0632 hours: Watts made an unanswered call to Roberts
[40 ~ TL: 6554]

[40 ~ TL: 655-6556]

0633 hours: Roberts answered, "DPC state" and Watts replied with a thumbs up emoji
[40 ~ TL: 6557]

0635 hours: Roberts advised, "I need to call Chad and see if he plans on still stroking the 10-29 out there to see if it'll pump up... If so I'll have to meet him, or he will have to get the cannon plugs from Tony, OK?"
[40 ~ TL: 6559-6560]

0635 hours: Watts responded, "Ok. Let me know before I leave here."
[40 ~ TL: 6561]

[40 ~ TL: 6566-6567]

0643 hours: McNeil replied, "Well since you're out there you want to fire it up? Have Kodi bring his cables."

[40 ~ TL: 6571-6573]

0718 hours: Watts took a photograph of his lap top screen presumably sitting in his truck

[41 ~ TL: 7784, IMG_7534.HEIC

The Meta data confirms Watts was at the Cervi coordinates. The image is apparently only in thumbnail format and enlarging it blurs out the writing on the laptop screen

0740 hours: Watts sent the staged message to Shanann's phone, "if you take the kids somewhere, please let me know where they are at!"

[40 ~ TL: 7785]

0740 hours: Watts made a two and a half minute call to Troy McCoy

[40 ~ TL: 6574]

0741 hours: Roberts told Watts, "I'm here at the 10-29 now. You mind coming out here? Just in case something gets sideways."

[40 ~ TL: 6575]

0743 hours: Watts told Roberts, "Yea. I'm at 3-19. One sec." Watts then took this picture -

[42 ~ TL: 153311]

[40 ~ TL: 7790]

1006 hours: Centura Health Physician Group Women's Health in Erie called Shanann's phone and left a message (I confirmed the calling number listed to this clinic)
[42 ~ TL: 153315]

1010 hours: during a respite following the murder of his family, and disposing of their bodies at a desolate well site, Watts searched Google for the lyrics to "Battery" by Metallica
[41 ~ TL: 7793 - 7798]

Lashing out the action, returning the reaction - Weak are ripped and torn away - Hypnotizing power, crushing all that cower - Battery is here to stay

Smashing through the boundaries - Lunacy has found me - Cannot stop the battery - Pounding out aggression - Turns into obsession - Cannot kill the battery - Cannot kill the family - Battery is found in me

Crushing all deceivers, mashing non-believers - Never-ending potency - Hungry violence-seeker, feeding off the weaker - Breeding on insanity

Smashing through the boundaries - Lunacy has found me - Cannot stop the battery - Pounding out aggression - Turns into obsession - Cannot kill the battery - Cannot kill the family - Battery is found in me - Battery, Battery

Circle of destruction, hammer comes crushing - Powerhouse of energy - Whipping up a fury, dominating flurry - We create the battery

Smashing through the boundaries - Lunacy has found me - Cannot stop the battery - Pounding out aggression - Turns into obsession - Cannot kill the battery - Cannot kill the family - Battery is found in me - Battery.

Watts has proven a keen interest in song lyrics [CBI S12]. He is no doubt familiar with this song's lyrics; he attended the Metallica concert held in Denver on June 7, 2017. I recognized the photographs he took at the concert and stored in his phone on that date, I was there

1216 hours: Watts took two photographs of sunflowers in an open prairie
[41 ~ TL: 7845 – 7846, IMG_7535.HEIC, IMG_7536.HEIC]

[41 ~ TL: 7853 - 7855]

These messages were also found in Shanann's phone, likely sent as a group text by Ann

1231 hours: Addy asked Watts if Shanann was ok, "Everyone is worried. It's not like her to not respond and we haven't heard back from her all day."
[41 ~ TL: 7856]

1241 hours: Watts called Utoft and held a forty second conversation
[41 ~ TL: 7857]

I know you are having issues, but I don't know (to) what extent, but I do know I have never seen her so broken to an extent I am worried." Watts replied, "She went to a friend's house with the kids. She won't tell me where though. When I get home I will update you."

[41 ~ TL: 7859 - 7862]

Minutes later Cassie told Watts, "Sweetie nobody knows about you and her other than Nicki and I so where would she go if not with Nicki and not to Arizona where I'm at? Her car and shoes and everything is at the house. What the heck is going on with you guys that she would totally shut out everything? It's not like her."

[41 ~ TL: 7865]

Watts responded, "I told Nicki about it so she wouldn't freak out anymore at the house. I think Christina knows as well. We talked last night and I told her I wanted to sell the house, get something smaller. Separation would be best right now if we can work thru the issues. I really don't want you to think I'm a bad person Cassie."

[41 ~ TL: 7866]

Cassie replied, "Right now I don't care about you, or your relationship, or what type of person you are or not, or what I think of you and I'm not trying to be rude when I say that."

[41 ~ TL: 7867]

In the midst of all that was occurring Watts tended to his real estate concerns, telling Ann Meadows, "Basement is still unfinished. No other upgrades."

[41 ~ TL: 7868]

1303 hours: Cassie chastised Watts, explaining her only concern was for his "damn wife and her well-being." Cassie advised, "Nicki is calling the police." Cassie told Watts, "She is broken emotionally... Her blood sugar dropped due to not eating and it could cause her to pass out... So unless you want the police to bust your damn door down you get home and check on your family."

[41 ~ TL: 7869 - 7875]

Meadows replied to Watts during this exchange, suggesting a house at 6508 Saratoga may be viable

[41 ~ TL: 7876]

1305 hours: Watts told Cassie "I'm going home Cassie. On my way. Don't call the police. I will be there in 45 minutes" Cassie thanked him and explained her fears, "Nicki and I know what state she was in all weekend and we want to see she isn't in the house, because this is seriously a concern."
