3. Narrative

On November 13, 2022 at approximately 1253 hours, I arrived on scene at 1122 King Rd. and spoke with Sgt. Gunderson and Sgt. Lawrence who gave me a brief overview of the information gathered at that time. Sgt. Lawrence informed me the Idaho State Police were going to assist in the investigation and were organizing to respond to the scene. Sgt. Lawrence responded to the police department to begin interviews. I remained on scene on the perimeter awaiting further information.

Approximately one hour later, a male approached the scene and began speaking with Sgt. Gunderson. The male was identified as J [REDACTED] K [REDACTED]. I overheard J [REDACTED] state his daughter lived in the 1122 King Rd. and he had been trying to get in touch with her but was unsuccessful. It was also learned J [REDACTED] daughter J [REDACTED] R. K [REDACTED] was nearby the scene. I asked J [REDACTED] if he and J [REDACTED] could come to the police department to speak with me. J [REDACTED] agreed and I returned to the police department. I contacted Sgt. Lawrence at the police department and asked if he had the names of the victims. Sgt. Lawrence stated he did and gave me the list. I saw one of the victim's names was Xana A. Kernodel. I then met with J [REDACTED] and J [REDACTED] in the interview room off of the police department lobby. Once in the room, I activated the audio and video recording equipment.

I asked J [REDACTED] and J [REDACTED] for their information and they both handed me their Arizona driver's licenses. After writing down their information, I asked J [REDACTED] what the name of his other daughter was. J [REDACTED] told me her name was Xana. I then informed J [REDACTED] and J [REDACTED] that Xana was identified as one of the victims

and that she was deceased. Both J [REDACTED] and J [REDACTED] became very upset and were crying heavily.

I asked J [REDACTED] and J [REDACTED] when the last time they communicated with Xana was. J [REDACTED] stated she texted with Xana on 11/11/22 at approximately 1700 hours. J [REDACTED] said the text messages were brief and were not of any substance. J [REDACTED] said he texted Xana on 11/11/22 at around 1540 hours and she responded stating she was at work. J [REDACTED] then told me he last spoke with Xana on the phone on 11/11/22 at approximately 2140 hours, when they spoke about going to the WSU football game. I asked J [REDACTED] where Xana worked and he said at Mad Greek.

I asked both J [REDACTED] and J [REDACTED] if Xana had mentioned anything about having any issues with anyone or anything strange occurring lately. Both J [REDACTED] and J [REDACTED] said Xana had not said anything. J [REDACTED] said Xana had a boyfriend, Ethan Chapman, who she had been dating for about six months or so. J [REDACTED] said everything seemed fine with their relationship and J [REDACTED] added how he had met Ethan's parents in passing this weekend. It should be noted, J [REDACTED] was in town visiting as he resides in Avondale, AZ and it was Washington State University's Parent's Weekend. I asked J [REDACTED] and J [REDACTED] if there was anyone they wished me to contact for them or if they wished to speak with anyone such as a member of clergy. Both told me no. I gave them both my business card and informed them our detectives would be in contact with them in the near future. J [REDACTED] and J [REDACTED] then left the police department.
